The War Between Two Very Different Species

👁 5 ✓ 0 ★ 1

Chapter 1 by Adam

Demons & Angels. Two very different species, with two very different purposes. They used to live in harmony, until. Until heaven fell.

I flew through the chasms, my wings gliding my through the underworld. I was a one of a kind. I was what was known as a Fallen Angel. I had been denied from heaven, and the lord of hell took me in as one of his. Now, I torture these innocent souls with glee. I was Zjeden, the fallen soul.

My crimson eyes darted around the blank world. Searching for any souls I could take as my own. Purgatory was used by both sides to find more tortured innocents to take into their own domain, and my feeding place. I saw men, women, children, even pets littered around the white abyss. What caught my attention though was an Angel, who I recognised as Ryeth. The Angelic Warrior, or in simpler terms, the leader of heavens army.

He was armed with the usual weapon, white sword, white shield, white armour and white wings. I couldn't stand the look of it. It blinded me. But failed to blind my anger I had inside. I strode towards him, my eyes looking up and down him. "Ryeth..." I hissed, catching his attention. "Zjeden, the fallen soul" He chuckled, making me angrier than before. "I see you've come to

start a fight"

A Scythe materialised in my hand, the blade glinting as my wings lifting me off the ground as I ran.
